Instructions for Underpayment of Estimated Income Tax by Individuals

Estimated Tax Penalty

DC law requires every individual or couple filing jointly, to pay estimated tax if they:

- receive taxable income which is not subject to DC withholding; or
- receive wages with insufficient withholding; or
- the tax on this taxable income is expected to be more than \$100.

The law states that anyone required to file and pay estimated tax who fails to pay the amount required by the periodic payment due date is subject to penalty and interest on the underpayment of estimated income tax.

When is a penalty assessed for underpayment of estimated income tax?

A penalty is assessed if your total DC estimated income tax payments (and withheld amounts) compared to your DC tax liability do not equal at least the smaller of:

- 90% of the tax due shown on your 2012 DC return; or
- 110% of the tax due shown on your 2011 DC tax return. You must have been a DC resident during all of 2011 to use the 110% exception.

Are there any exceptions to imposition of the penalty?

You are not subject to the penalty for underpayment of estimated tax if:

- You had no DC income tax liability for the tax year 2011 and in that year, you lived in DC the entire 12 months;
- The tax due for 2012 minus income tax withheld and/or estimated tax payments is less than \$100;
- Your DC estimated tax payments plus any DC income tax withheld equals at least 110% of your 2011 DC income tax liability; or
- Your remaining tax due after totalling all credits, estimated tax payments and withholding, is less than 10% of your total DC tax liability for the year.

When may you use this form?

- You may use this form to calculate your penalty, when submitting your D-40 form. If you do, attach it to your tax return and add the penalty and any interest to the amount you calculate for Line 43a or 43b of the D-40. If you do not wish to calculate the penalty and interest, the Office of Tax and Revenue (OTR) will do it when your return is processed and will notify you of the amount due.
- You may also complete this form if you believe the penalty assessed by OTR for an underpayment of estimated income tax is incorrect.

How do you file this form?

Attach this form D-2210 to your return D-40, if you complete it before filing your D-40 return. If you complete this form after filing and/or receiving a notice of a penalty assessment, send it to:

Completing this form

Line 1

Enter the amount from your D-40, Line 27.

Line 2

Multiply the amount on Line 1 by 90% (.90). Your withheld taxes and/or estimated tax payments must be equal to or greater than this amount.

Line 3

Enter 110% of the amount from your 2011 DC Form D-40, Line 27. If your 2011 return was amended or corrected, multiply 110% times the corrected amount. You must have been a DC resident during all of 2011 to use this exception.

Line 4

Enter the lesser of the amounts on Line 2 and Line 3. If you did not file a DC return for 2011, use only the Line 2 amount.

Line 5

Multiply the amount on Line 4 by 25% (.25). This gives you an even distribution of your liability, payable over four periods.

Line 6

Enter the amount required from Line 5 under each of the payment columns. For example, if Line 5 is \$2000, you would enter \$2000 for the 1st period, \$4000 for the 2nd period, \$6000 for the 3rd period and \$8000 for the 4th period.

Annualized Income method: If your income was different for each period, you may want to determine the percentage for each period (divide the period income by the full year's income). Multiply Line 4 by each period's percentage and enter the amounts as shown above. Check the "Annualized Income" method box.

Line 7

Enter the amounts withheld and estimated tax payments made for each period. Include the amounts from the previous period in with the 2nd, 3rd and 4th periods. For example, if your withheld and estimated tax payment amount is \$1000 in each period, you would enter \$1000 in the 1st Period, \$2000 in the 2nd Period, \$3000 in the 3rd Period and \$4000 in the 4th Period.

Line 8 Underpayment each period

For each column, subtract Line 7 from Line 6. If Line 7 exceeds Line 6, you have no penalty. If there is an amount remaining, this is your periodic underpayment amount.

Line 9 Penalty factors These are the penalty factors by period.

Line 10

For each column, multiply the amount on Line 8 by the penalty factor on Line 9. This is your penalty amount by period.

Line 11 Penalty

Add the amounts from each period on Line 10. This is your total underpayment of estimated tax penalty.

- If you are filing the D-2210 with your D-40 return, include the penalty and any interest on the penalty in the amount you owe and pay it with the return.
- If you are filing the D-2210 separately, pay the amount you owe. Attach payment to Form D-40P, Payment Voucher.

Make the check or money order payable to the **DC Treasurer** and mail the D-2210 and D-40P with payment to:
